in 5hrs. 38m. 47s.

And how's this for fortitude? In 1932 the winner was the great Charlie Holland (Midland C. & A.C.) in 4hrs. 48mins. Charlie won again in 1934 with 4.41.18. and last Monday he was still riding the Anfield "100" and returned the amazing time of 4 hrs. 48 mins.—the same time as he did back in 1932 when he won.

Charlie is 65 years of age and last season he set national veterans' age records for 30 miles, 50 miles and 100 miles. His "100" time was 4.37.33. As we said last week about Derek Johnson, cycling is certainly one sport where age seems to present no barrier.
